"Everything is energy and that's all there is to it. Match the frequency of the reality you want and you cannot help but get that reality. It can be no other way. This is not philosophy. This is physics"

- Albert Einstein

By the way, I've just mentioned that everything has its own vibration. A violet has violet's own frequency, for example, and a rose has rose's own frequency as well. From different animals to minerals, to even our chairs and cups, all things have their own unique vibration. But did you know that only humans can freely change their own frequencies?

You may question whether or not that's really true. However, because of our emotions, we are always changing frequencies (even without knowing it). On top of that, we are gifted with the ability to sing. We are the only ones who can freely alter the sounds of "do re mi fa so la ti." In other words, only we have the ability to resonate with everything in the universe and can give and receive energy.

# AYAT SERIBU DINAR

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ  
 وَمَنْ يَتَّقِ اللَّهَ يَجْعَلْ لَهُ مَخْرَجًا ۖ وَيَرْزُقْهُ مِنْ حَيْثُ لَا يَحْتَسِبُ  
 وَمَنْ يَتَوَكَّلْ عَلَى اللَّهِ فَهُوَ حَسْبُهُ ۗ إِنَّ اللَّهَ بَلِغُ أَمْرِهِ ۖ قَدْ جَعَلَ اللَّهُ  
 لِكُلِّ شَيْءٍ قَدْرًا ﴿٢﴾

mafhumnya :

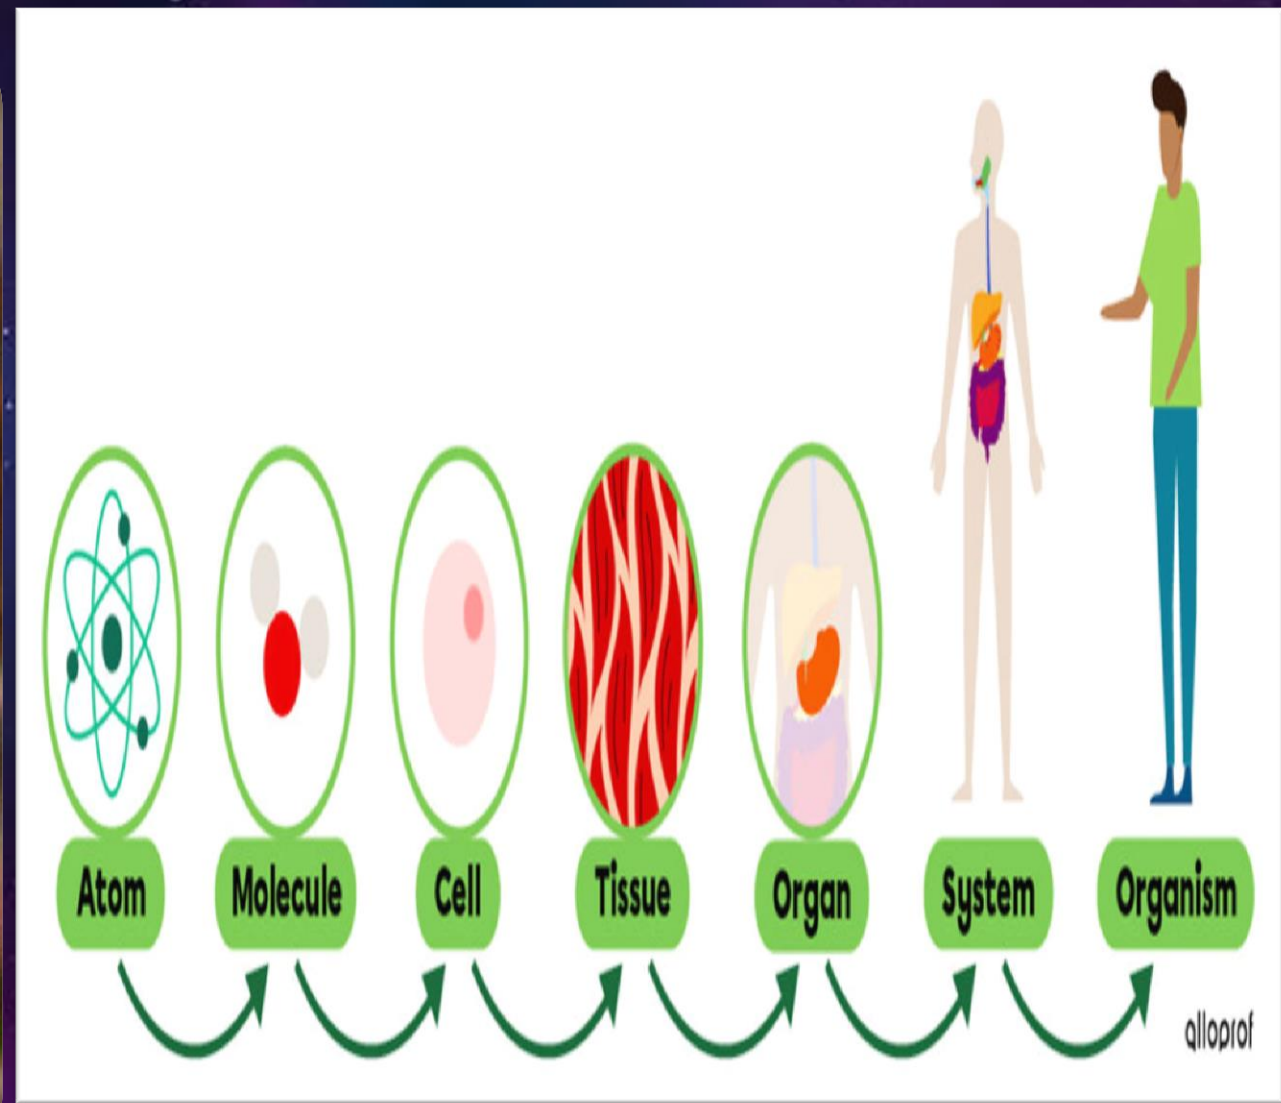

Dengan nama Allah Yang Maha Pemurah Lagi Maha Mengasihani,  
 Dan sesialpa yang bertaqwa kepada Allah  
 (dengan mengerjakan suruhanNya dan meninggalkan laranganNya),  
 nescaya akan dijadikan baginya jalan keluar (dari segala perkara yang menyusahkannya),  
 Serta memberinya rezeki dari jalan yang tidak terlintas hatinya.  
 Dan (ingatlah), sesiapa berserah diri bulat-bulat kepada Allah,  
 maka Allah cukupkan baginya (untuk menolong dan menyelamatkannya).  
 Sesungguhnya Allah tetap melakukan segala perkara yang di kehendakiNya.  
 Allah telahpun menentukan kadar dan masa bagi berlakunya tiap-tiap sesuatu.

The background of the slide is a sunset scene with a large, bright sun on the left side, creating a lens flare effect. The sky transitions from a bright yellow near the sun to a deep orange and then to a dark purple at the top. In the foreground, there are dark silhouettes of people riding horses, facing right. The overall mood is serene and contemplative.
